Please contact our office @ (866) 960-8760 x2081 to make payment.

No cost for contract facilities and club members

****Please bring your hospital ID badge****

This course will cover the anatomy and physiology of the brain and the main structures. The course will present epidemiology, statistics and classify what causes traumatic brain injuries. Students will learn what diagnostics are normally done, and what treatments can be expected.

Students who arrive after the 15 minute grace period will NOT be allowed to attend the course.
Professional attire/scrubs are expected to be worn when attending any Flex Ed course.

Approved to Award 2.0 CE(s) through CNA-CDPH, CNA-NV-BRN
